

**Observe that the person that is doing the verification is not able to influence the outcome!**

**Green**

**The document is valid.**

The process of producing your card continues. Check you e-mail. You'll soon receive a confirmation.

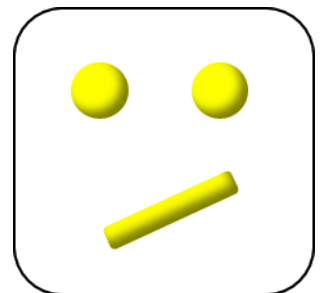

**Valid**

**Yellow**

**The document is not readable.**

Yellow may indicate that:

- The format is unknown.
- The document is unclean.
- The document may be damaged.

**Not verified**

**Red**

**The document is not valid.**

This may depend on:

- The document and the order information do not match.
- The document has been verified as invalid.
- The document has expired, is unclean or damaged.
- The document has been unlawfully modified or is a counterfeit.

**Not valid**

**Go back to the person that made the card order and check that your information is correct.**

**If the document does not match with the person, the validation may be stopped.**
